VICTORY NEARLY SUNK.

Battle Ship Neptune Rams Nelson's Old Flagship. Portsmouth, England, Oct. 24.—Nelson's old flagship, the Victory, was nearly sunk in Portsmouth harbor by the battle ship Neptune. The battle ship Hero and some minor craft were also damaged.

The Neptune, a non-effective vessel of 9,310 tons displacement, built in 1874, which was being towed into Portsmouth preparatory to being taken to the Thames to be broken up, broke adrift and ran amuck.

After desperate efforts the Neptune was secured by the Hero, but not before the former had knocked a six foot hole in the Victory's port quarter. The Victory's lower decks were quickly flooded, and she commenced to settle down, her crew standing at quarters, but the speedy arrival of tugs enabled the old flagship to be kept afloat until she was docked.

Bad Fire in Ashland, Wis.

Ashland, Wis., Oct. 26.—The Shores block has been destroyed by fire, with a loss of about \$150,000. Several persons were rescued by firemen, and others, it is feared, lost their lives in the building.

A Sea Wall Sixty Feet High.

The Great Northern railroad will spend \$1,000,000 in preparing Smiths Cove, Wash., its Pacific steamship port, for the transpacific liners, which will go into service within eighteen months, says a St. Paul dispatch to the Kansas City Times. The feature of the work will be the construction of a huge sea wall extending from the bottom of the sound to a height of sixty feet and completely protecting the company's wharves. At low tide twenty-five feet of the wall will show above water. It will be built of concrete and stone.

Novel Reticule For Women.

The hand bag, reticule and silk purse all seem doomed to temporary disappearance before a new chef d'oeuvre of the jeweler's art which has just appeared in the Rue de la Paix in Paris, says the New York Herald. This is a silver or gold box no bigger than a cigarette case and contains a cardcase, a pencil, bonbon box, mirror, powder puff, pins, matches, cigarettes and watch. One can carry the dainty article in the hand or supported by a chain.

A UNIQUE RECORD.

Not Another Like It In Our Broad Republic.

To give positive home testimony in every locality is of itself unanswerable proof of merit; but when we add to this the continued endorsement of people who testified years ago, no evidence can be stronger. A citizen gratefully acknowledged the good received from Doan's Kidney Pills, and when time has tested the cure we find the same hearty endorsement with added enthusiasm and continued praise. Cases of this kind are plentiful in the work of Doan's Kidney Pills, and such a record is unique in the annals of medicine.

Norman York of 14 South Main Street, says: "When living at 3 Pearl Street in the winter of 1937, a gentleman called upon me and asked my opinion of Doan's Kidney Pills and to allow him to have the same published in our Barre papers. I consented and told him for five or six years I had been annoyed with my kidneys, caused, I thought, by a strain. There was no doubt about the pain, but when there was added to it annoyance from the kidney secretions I was positive some disturbed action of the kidneys existed. If I stooped to lift it was with the greatest difficulty I could retain an erect position. Well, in spite of that, a continuation of the treatment of Doan's Kidney Pills, procured at E. A. Drown's drug store, stopped the attack. Since then I have never lost an opportunity of recommending the preparation to friends and acquaintances and I know of a great many who have taken a course of the treatment, obtaining positive benefits."

Sold by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
